RED MEN BANQUET.

One of the most successful and enjoyable events ever given in Hayti took place in the city hall last Wednesday night, under the auspices of the local Tribe of Red Men, and consisted of a social and supper for the members and their families.

Rev. Fallin acted as master of ceremonies, and Professors H. L. Davidson and B. S. Stearns addressed the meeting on the growth of the order, and its beauties. Prof. H. L. Davidson showed that there were more than 700 Red Men now in Pemiscot county, although the oldest tribe is but eight months old.

A most bounteous spread of chicken and other meats, pies, cakes, fruit, and in fact everything good to eat, was partaken of by all present, and a most sociable time enjoyed.

The beautiful costumes worn by the degree team elicited the highest praise from the ladies, and the evening ended by an expression by many of a desire to organize a Council of Degree of Pocahontas.

In view of the fact that \$4.90 of each \$6.00 paid in by each member of the tribe as yearly dues, remains at home in their wampum belt, it is easily supposed that the tribe can well afford to have many such enjoyable gatherings—and that is what makes fraternal fellowship worth something.

When your watch, clock or other pieces of jewelry need attention, try Culpepper & Dever, Hayti, Mo. We do only firstclass work, at reasonable prices, and guarantee perfect satisfaction. 7tf

New Era Lodge No. 352, I. O. O. F., will celebrate their usual Big Night Saturday night, Dec. 18, 1909, with a class initiation and supper. All Odd Fellows, Rebekas and their families are invited to come and bring their baskets filled.

"Kloseft" petticoats fit without a wrinkle and without alteration. Made with elastic gore—no strings. Guaranteed to fit. J. L. Dorris.

Mrs. Almeda Schilling is ill this week.

ESTILL D. GUFFY.

Estill D. Guffy, of Oklahoma City, Okla., a former citizen of Owensboro and a prominent attorney, died from concussion of the brain at 4:45 P. M. Nov. 23, 1909, a few miles from Beaver Dam, as a result of injuries received in a runaway. He was en route from Owensboro, where he had been attending Federal court at Morgantown, to spend Thanksgiving with his father, Judge R. L. Guffy, formerly judge of the Court of Appeals.

He was Assistant Secretary of State under Charles Finley during Gov. Bradley's administration. He resigned to become Assistant Surveyor of Port at Louisville under Colonel C. M. Barnett. He remained in this place four years and resigned to come to Owensboro to practice. He remained here two years and located about five years in Oklahoma City, where he had a large practice. The remains will be taken to Morgantown for interment.—(Ky) Louisville Herald.

Bayless L. Guffy, a brother of the deceased, was called to Morgantown, Ky., to attend the funeral, and returned last week. We join with their many friends in sympathy for the bereaved.

When you see a cross mark on your paper, made with a pencil, it tells you that your subscription is out and we ask you to renew at once. Not hearing from you promptly, we will stop the paper.

Everything necessary for Christmas and the holidays can be bought at Hayti, and because some of the merchants do not advertise should not cause the people to think that they will have to go away from home to buy. We say this at our own expense, in order to help the merchants who do advertise, because we know they have the goods and can supply all your wants. Look over the advertisements in the Herald and come and inspect the lines of goods offered you, and show that you appreciate the efforts of the advertising merchants.

R. E. Elliston has returned from St. Louis.

THE DOCTORS MEET.

At the meeting of the Pemiscot County Medical Society at Caruthersville on Tuesday of last week, the following officers were elected: Dr. M. H. Hudgings Pres.; Dr. J. C. Farris, Vice-Pres.; Dr. M. B. Hendricks, Sec., and Dr. H. T. Byers, Treas. The next meeting will be at Caruthersville on the second Tuesday in January. At the last meeting the Doctors adopted resolutions to the effect that hereafter they would not visit any people who would not pay, or try to pay, for services rendered. If a person owes any member of the society for services, and has not made due effort to pay, no member can visit him or his family without pay for each visit, as the visits are made.

H. L. Davidson, State Organizer for the Improved Order of Red Men, left Monday for Poplar Bluff and Kansas City, to be gone until Thursday. He will organize a tribe at Poplar Bluff and meet the Great Sachem at Kansas City.

People who owe the Herald small monthly accounts are requested to call at our office promptly at the end of each month and settle. It takes too much time to go out and collect these small sums.

Caruthersville Democrat: The nomination of Bob Crow as postmaster at this place was sent to the Senate on last Tuesday and confirmed without opposition. His commission will arrive within a few days. Both Mr. Crow and the patrons of the office are to be congratulated on his selection.

A TRUTH.

The independent paper of nowadays is the paper that commands confidence, because it is realized that a paper to be worthy of confidence, must be to a large extent independent. The successful papers, the papers of standing, are losing their allegiance to the political parties. It is no longer for a newspaper of standing to say the worst Republican is better than the best Democrat. The day has gone by. People are too intelligent. And if they know in advance what a paper is going to say, because it is stamped by a party label, they do not want it. At least not very many of them do. The growth of the independent newspaper is the best evidence that this policy pays.—Dr. Hamilton Holt.

We trust that the readers will plan to dig out some big ears of corn and win the gold that is offered by the Peoples Bank, Caruthersville, Mo., in their Corn Show. We commend that popular institution in this show and hope the farmers will make it a great success.

Ladies, you need one of those "Kloseft" petticoats to give your form that slender effect. J. L. Dorris has them in all sizes and colors. 46

Caruthersville Democrat: Stock is being liberally subscribed and there will be opened for business within the next few days an up-to-date jewelry establishment in this city. A first-class store of this character has been one of the city's needs for years, and the new establishment has the assurance of a most liberal patronage from its inception.

Swan's Butcher Shop have received and placed their large ice box and other fixtures, and have arranged a firstclass place.
